Conference, Workshop, Seminar, Fellowship, Training ,Program etc.

UNICEF Leading Minds Fellowship on Climate Education (Grant up to \$20,000)

UNICEF invites young climate leaders (ages 10–30) to apply for the Leading Minds Fellowship on Climate Education, an 18-month program (Feb 2026 – Jul 2027) that supports youth-led initiatives, research, advocacy, and policy engagement to transform climate education globally. Fellows will receive grant support of up to \$20,000, technical mentorship, visibility, and hands-on experience in child rights, youth engagement, and climate education. The program empowers fellows to document initiatives, co-design events, and influence education systems worldwide.

Location: Remote / Global

Deadline: 31 December, 2025

Link for more information: <https://www.unicef.org/innocenti/leading-minds-fellowship-climate-education>

Fully Funded 2026 ZUKOnnect Fellowships

The University of Konstanz's Zukunftscolleg offers the ZUKOnnect Fellowships for early career researchers from Africa, Asia, and Latin America. Fellows can pursue post-doctoral or final-year doctoral research, engaging with interdisciplinary teams and expanding their academic networks. The fellowship includes a 3–4 month on-campus research stay and a 12-month digital affiliation. Benefits include a stipend of €1,300/month for doctoral students and €2,000/month for postdoctoral researchers, research allowances, travel costs, access to library and IT resources, and participation in seminars and career development events.

Location: University of Konstanz, Germany (on-campus with digital affiliation for 12 months)

Deadline: 1 February, 2026

Link for more information: <https://www.uni-konstanz.de/zukunftscolleg/fellowships/zukonnect-fellowship/>

Conference, Workshop, Seminar, Fellowship, Training ,Program etc.

International Seminar on Geography in the 21st Century

The Institute of Indian Geographers (IIG), in collaboration with the Department of Geography & Applied Geography, University of North Bengal, invites researchers, educators, and professionals to participate in its International Seminar on “Geography in the 21st Century: Navigating Trends, Tackling Challenges” from 19–21 February 2026. The event focuses on global environmental issues, sustainable development, and technological innovations shaping modern geography.

Location: Siliguri, West Bengal, India

Deadline: 31 December, 2025

Link for more information: <https://www.scribcom/document/872882825/IIG-NBU-2025>

Russell E. Train Fellowship Program

The World Wildlife Fund invites applications for the Russell E. Train Fellowship Program to support doctoral studies for current or aspiring university faculty in Africa, Asia, Latin America, and the Caribbean. The fellowship fosters conservation research, capacity building, and engagement with local communities. Fellows may receive up to \$30,000 per year for up to three years, with research addressing climate, conservation, sustainable development, and related fields.

Location: Africa, Asia, Latin America, Caribbean

Deadline: 18 December, 2025

Link for more information: <https://www2.fundsforngos.org/community-development/apply-now-russell-e-train-fellowship-program/>

Conference, Workshop, Seminar, Fellowship, Training, Program etc.

ICON Fellowship 2025–2027

The ICON (iCON) Fellowship is a fully funded, 16-month residential program for youth from the Eastern Himalayas (India, Nepal, Bhutan, Bangladesh). Fellows work on grassroots climate adaptation, ecological restoration, rewilding, regenerative agriculture, and community-based environmental leadership. Through immersive training and community projects, participants emerge as entrepreneurial leaders committed to environmental resilience.

Location: Eastern Himalayas (Nepal, India, Bhutan, Bangladesh)

Deadline: Open

Link for more information: <https://nepalclimatehuorg/opportunities/icon-fellowship-20252027/>

UNICEF Remote Monitoring and Evaluation Internship

UNICEF, through its Education Cannot Wait (ECW) fund, is offering fully remote Monitoring and Evaluation (M&E) internships for post-graduate students or recent graduates. Interns will support data collection, analysis, reporting, and knowledge management across ECW-supported education programs in crisis contexts. The internship provides hands-on experience in international humanitarian-development work, including drafting annual results reports, synthesizing data, and supporting learning and evaluation initiatives. Interns are expected to commit full-time (35 hrs/week) for 5–6 months and will receive a stipend of USD 1,700 per month.

Location: Remote

Deadline: 19 December, 2025

Link for more information: <https://jobs.unicef.org/en-us/job/588321/batch-recruitment-internships-me-education-cannot-wait-ecw-hosted-fund-genevany-remote-6-months-req588321>

Conference, Workshop, Seminar, Fellowship, Training, Program etc.

Dr. Harka Gurung – New ERA Fellowship Program

New ERA, Nepal's first non-profit research organization, invites applications for the Dr. Harka Gurung – New ERA Fellowship Program, established in memory of Dr. Harka Bahadur Gurung. Since 2005, the fellowship has supported Master's students across Nepal conducting field-based research in areas like climate change, disaster risk reduction, governance, gender, and social inclusion. The program provides up to NPR 50,000 along with technical mentorship and research guidance.

Location: Nepal

Deadline: Open

Link for more information: <https://www.newera.com.np/programs/fellowship-program>

WWF Current and Aspiring University Faculty Fellowship 2026–2027

The WWF Current and Aspiring University Faculty Fellowship 2026–2027, part of the Russell E. Train Education for Nature Program (EFN), supports emerging and current university faculty pursuing or planning PhDs in conservation and sustainable development. Fellows receive up to US\$30,000 per year for up to three years to strengthen research and teaching capacity. The fellowship encourages innovative, practical solutions addressing conservation challenges, engaging local communities, and advancing sustainable development goals across WWF priority countries.

Location: Global

Deadline: 18 December, 2025

Link for more information: <https://www.worldwildlife.org/our-work/science/russell-e-train-education-for-nature/russell-e-train-fellowships/>

Conference, Workshop, Seminar, Fellowship, Training, Program etc.

2026 Green Climate Fund Internship Program

The Green Climate Fund (GCF) internship program offers a six-month immersive experience for students and recent graduates from diverse academic disciplines, with the possibility of a six-month extension. Interns work at GCF headquarters in Songdo, South Korea, contributing to climate finance, sustainable development, and capacity-building initiatives. The program includes mentorship, training, and exposure to the operations of the world's largest multilateral climate fund. Interns receive a monthly allowance of USD 1,600, roundtrip flights, and global health insurance.

Location: Songdo, South Korea

Deadline: 3 January, 2026

Link for more information: <https://reliefweint/job/4166559/regional-leader-south-asia-pacific>

Australia Awards Fellowships 2026

The Australia Awards Fellowships Round 21 invites applications from eligible developing countries, including Nepal, for senior officials and mid-career professionals. Fellowships target capacity-building in priority development areas such as climate change, resilience, green energy, health, gender equality, digital economy, maritime economy, and infrastructure. Australian Organizations must partner with overseas institutions and nominate eligible Fellows. Fellowships include in-Australia, online, and in-partner country activities lasting 2-52 weeks, with training and knowledge-sharing opportunities to strengthen global development initiatives.

Location: Australia

Deadline: 16 January, 2026

Link for more information: <https://www.dfat.gov.au/people-people/australia-awards/australia-awards-fellowships/applying-australia-awards-fellowship>

Conference, Workshop, Seminar, Fellowship, Training, Program etc.

Applications Open for 2026 FAO Fellows Programme

The Food and Agriculture Organization (FAO) is inviting applications for its 2026 Fellows Programme, targeting PhD students, researchers, and professors with advanced technical expertise. Fellows will contribute to FAO's mission of achieving food security and sustainable agri-food systems aligned with the UN Sustainable Development Goals. Assignments are available at FAO's regional, sub-regional, country, liaison offices, and headquarters.

Location: Global

Deadline: 1 January, 2026

Link for more information: <https://www.fao.org/employment/young-talent-programme/fellows-programme/en>

Waste Smart Fellowship Grant 2026

Youth Innovation Lab invites applications for the Waste Smart Fellowship Grant 2026 under the EU-funded Green Shift: Circularity of Plastic Waste for Net-Zero Carbon Nepal project. The fellowship offers young people hands-on experience in solid waste management, circular economy, and climate action by working directly with municipalities. Fellows will support policy development, data collection, capacity building, and environmental awareness campaigns in three project municipalities across Bagmati, Madhesh, and Lumbini Provinces.

Location: Kathmandu, Nepal

Deadline: 25 December, 2025

Link for more information: <https://www.jobsnepal.com/application-call-for-waste-smart-fellowship-grant-2026-140494>

Scholarship

Water Resources and Environmental Management M.S Programme 2026

The WATENV Master's programme at Leibniz University Hannover, Germany, is a research-oriented, interdisciplinary course focusing on sustainable water resources management, environmental hydraulics, and sanitary engineering. Delivered in English over two years, it equips graduates with expertise for leadership roles in universities, research institutions, consultancies, and international organizations tackling global water challenges. DAAD EPOS scholarships are available.

Location: Germany, Hannover (Leibniz University Hannover)

Deadline: 15 January, 2026

Link for more information: <https://www.fbg.uni-hannover.de/de/studium/studienangebot-der-fakultaet/water-resources-and-environmental-management-watenv>

UNESCO PhD Scholarship 2025–2026 for Developing Countries

The ANSO–CAS–TWAS/UNESCO PhD Scholarship 2025–2026 is a fully funded opportunity for exceptional students from developing countries to pursue doctoral studies in China. Jointly offered by ANSO, CAS, and TWAS/UNESCO, the program supports up to 40 PhD scholars for up to four years. The scholarship covers tuition, a monthly stipend (CNY 6,000–7,000), health insurance, travel, and visa support. Applicants must demonstrate academic excellence, innovative research proposals, and a commitment to contributing to global scientific advancement.

Location: China

Deadline: 31 January 2026

Link for more information: <https://grantsdatabase.org/2025/10/19/anso-cas-twas-unesco-phd-scholarship-2025-2026-for-developing-countries-fully-funded/>

Scholarship

Yenching Academy Scholarship 2026 at Peking University, China (Fully Funded)

The DAAD scholarships support foreign graduates from developing countries to pursue Masters or PhD degrees in development-related fields at German universities. Scholarships cover monthly stipends, insurance, and travel costs. Candidates must have a Bachelor's degree, professional experience, and meet language requirements.

Location: Beijing, China

Deadline: December, 2025

Link for more information: <https://opportunitiespedicom/yenching-academy-scholarship-2026/>

University of Antwerp – Master's in Development Studies

The University of Antwerp's Institute of Development Policy and Management (IOB) offers a one-year master's program in development studies with specializations in poverty, climate change, conflict, good governance, and sustainable development. Scholarships are available for students from Africa, Asia, and Latin America, including South Asia, to study at Belgian universities. The ICP Connect scholarship supports eligible candidates in advancing their expertise and contributing to sustainable development initiatives globally.

Location: Antwerp, Belgium

Deadline: 01 March, 2026

Link for more information : <https://www.uantwerpen.be/en/about-uantwerp/faculties/institute-of-development-policy/development-studies/master-development-studies/>

Scholarship

Erasmus Mundus EMMIR Scholarship 2026 (Fully Funded)

The Erasmus Mundus EMMIR Scholarship 2026 provides international students the opportunity to pursue a master's degree in Migration and Intercultural Relations across multiple European universities. The scholarship covers tuition, travel, subsistence, installation costs, and comprehensive health insurance. Students benefit from a multicultural learning environment, practical fieldwork, internships, and mentorship, gaining expertise in migration studies. The program equips graduates for careers in academia, international organizations, NGOs, and government agencies.

Location: Multiple European Universities

Deadline: 18 December, 2025

Link for more information: <https://www.emmir.org/application-procedures>

Oxford University Clarendon Scholarships 2026 – Fully Funded

The University of Oxford offers the Clarendon Scholarships 2026, providing fully funded postgraduate opportunities for Master's and DPhil (PhD) programs across all academic disciplines. Open to applicants of all nationalities, the scholarship covers full tuition, college fees, and living expenses. Applicants are automatically considered when they apply to Oxford by the course deadline, creating a chance to join a diverse community of scholars and benefit from exclusive academic and cultural events.

Location: Oxford, United Kingdom

Deadline: December 2025

Link for more information: <https://opportunitiespedicom/oxford-university-clarendon-scholarships-2026/>

Scholarship

Higher Education Scholarships – Lumbini Province (New)

This research-oriented, transdisciplinary Master's program combines natural sciences with humanities and economics to train students in landscape ecology and nature conservation. It offers flexibility through elective modules and prepares graduates for careers in research, conservation organizations, environmental consultancy, and administration. The program is taught mainly in English, lasts 4 semesters, and requires a relevant bachelor's degree.

Location: Lumbini Province, Nepal

Deadline: January 01, 2026

Link for more information: <https://edusanjal.com/scholarship/applications-open-for-nba-narendra-goel-research-grant/>

Russia Announces 40 Scholarships for Nepali Students

The Embassy of the Russian Federation in Kathmandu has announced 40 scholarships for Nepali citizens for the 2026/2027 academic year. Scholarships are available for Bachelor's, Master's, and Postgraduate Research programs across various Russian universities, covering all major disciplines, including five seats in Medical Sciences. The first-phase selection will be conducted by the Russian House in Kathmandu, with final selection by the Russian Ministry of Science and Higher Education in coordination with the respective universities.

Location: Russia

Deadline: 15 January, 2026

Link for more information: <https://collegesansar.com/russia-announces-40-scholarships-for-nepali-students-for-2026-27-intake/>

Scholarship

Youth of Excellence Scheme of China Program – Chinese Government Scholarship

The China Scholarship Council (CSC) offers the Youth of Excellence Scheme to train global governance talents with international perspectives, leadership, and multicultural backgrounds. The program targets Master's students under 45 years old with at least a bachelor's degree and three years of relevant work experience. Applicants may be government officials, senior managers, university administrators, or professionals with international organization experience. The 12-month program, taught in English, includes coursework, research, and dissertation completion. Full scholarships cover tuition, living expenses, and other costs.

Location: China

Deadline: 31 March, 2026

Link for more information: <https://edusanjal.com/scholarship/youth-of-excellence-scheme-of-china-program-chinese-government-scholarship/>

University of Pecs Scholarships 2026 (Fully Funded)

The University of Pecs offers fully funded scholarships for international students at bachelor's, master's, and doctoral levels. The scholarships cover tuition, monthly stipends, accommodation, medical insurance, and provide access to expert faculty and career-focused skills. The program encourages students to experience Hungarian culture while developing practical and academic competencies. Eligible applicants must demonstrate outstanding academic performance, hold relevant prior degrees, and meet specific program requirements, with former Stipendium Hungaricum scholars excluded.

Location: Pecs, Hungary

Deadline: 15 January, 2026

Link for more information: <https://stipendiumhungaricum.hu/apply/>

Earth Prize Environmental Sustainability Competition for Youth

The Earth Prize invites students aged 13–19 worldwide to submit innovative projects addressing environmental sustainability. Teams of up to five students, supported by an educator, can propose local, national, or global solutions. Winners receive USD 12,500 to implement their ideas, with access to mentoring, online resources, and a global platform to scale solutions and foster the next generation of environmental leaders.

Location: Global

Deadline: 31 January, 2026

Link for more information: <https://www2.fundsforngos.org/sustainable-development/submissions-open-for-the-earth-prize-environmental-sustainability-competition/>

Seed Award for Emerging Artists (New)

The Seed Award, managed by the Prince Claus Fund, provides €5,000 to emerging artists and cultural practitioners with 1–5 years of professional experience. It supports socially, politically, or environmentally engaged practices, offering funds for residencies, workshops, creation time, materials, and collaborator compensation. Priority is given to originality, inclusivity, transformative potential, and community impact. Applicants must have minimal institutional support and be based in eligible countries across Africa, Asia, Latin America, the Caribbean, the Middle East, or Eastern Europe.

Location: Global

Deadline: 08 January, 2026

Link for more information: <https://princeclausfund.nl/awards-and-programmes/seed-award/2026-call-for-applications>

Future Conservationist Awards

The Mittal Institute Climate Grants 2025–26, offered by the Lakshmi Mittal and Family South Asia Institute at Harvard University, provide up to \$15,000 to support faculty-led research projects or interdisciplinary workshops addressing climate challenges in South Asia. Grants focus on energy transition, food systems, or law and policy for climate adaptation, emphasizing practical applications and transformative potential. Projects must involve Harvard faculty and may include regional collaboration. Recipients are expected to participate in Mittal Institute activities and present at Institute events or the annual Symposium.

Location: low and middle-income countries

Deadline: 09 January 2026

Link for more information: <https://www.conservationleadershipprogramme.org/awards-opportunities/team-awards/future-conservationist-award/>

DRK Foundation Grant Program – Early Stage Social Impact Organizations

The Draper Richards Kaplan (DRK) Foundation supports early-stage social impact organizations addressing critical social and environmental challenges with innovative and scalable solutions. Eligible applicants include independent nonprofits, mission-driven for-profits, and fiscally sponsored organizations. Selected organizations may receive up to USD 300,000 over three years, along with operational and strategic support to scale impact and strengthen leadership, operations, and community engagement.

Location: Global

Deadline: 31 December, 2025

Link for more information: <https://www2.fundsforngos.org/environment/entries-open-for-drk-foundation-grant-program/>

Apply for a Purpose Earth Grant and Mentorship Program

Purpose Earth offers grants up to \$10,000 along with mentorship to individuals and organizations with purpose-driven projects addressing environmental protection, community activation, or cultural collaboration. Projects must demonstrate long-term sustainability, have a clear implementation plan, and show significant impact from the grant. Applicants must submit a professional reference letter and a public YouTube video explaining their project. Certain countries are ineligible due to sanctions.

Location: Global

Deadline: 31 December, 2025

Link for more information: <https://www2.fundsforngos.org/community-development/apply-for-a-purpose-earth-grant-and-mentorship-program/>

Center “Our Work/Environment” Reporting Grant

The Pulitzer Center is offering grants for journalists to report on climate change impacts on workers and workplaces worldwide. The “Our Work/Environment” initiative supports stories highlighting real-world risks, labor rights, and sustainability practices across sectors like manufacturing, agriculture, and fast fashion. Freelance and staff journalists from around the globe are encouraged to apply, with preference for regions such as Southeast Asia, Europe, Africa, and South America.

Location: Global

Deadline: 31 December, 2025

Link for more information: <https://www2.fundsforngos.org/livelihood/our-work-environment-reporting-grant-program/>

Vacancy and Funding Opportunities

STEG Small Research Grant Program 2026 (New)

WWF Nepal, a global conservation organization, is seeking VAT-registered organizations to document best restoration practices in the Terai Arc Landscape. The assignment involves reviewing documents, consulting stakeholders, identifying five best practices and five case stories, and producing comprehensive knowledge products including photographs and lessons learned. Applicants must have at least 10 years of experience in natural resource management, strong analytical and writing skills, and the ability to coordinate with WWF and government authorities in Nepal.

Location: Nepal

Deadline: 22 December, 2025

Link for more information: https://www.wwfnepal.org/get_involved/call_for_proposals/

Free Rivers Fund Regular Grants

The Free Rivers Fund is offering regular grants to support projects aimed at protecting and restoring free-flowing rivers. This opportunity is open to individuals, community groups, informal initiatives, and organizations with a clear plan to preserve or reinstate a river's natural flow, such as removing barriers, preventing dams, or restoring water systems. Applicants do not need to be registered nonprofits, making this highly accessible to grassroots actors and local activists. Typical grants range from €1,000 to €2,000, with funds directly covering project expenses. Grantees are required to provide a brief update to showcase impact.

Location: Global

Deadline: 10 January, 2026

Link for more information: <https://freerivers.org/apply/regular-grant/>

Vacancy and Funding Opportunities

HawkWatch International – Global Raptor Research & Conservation Grant

HawkWatch International offers the Global Raptor Research & Conservation Grant to support projects led by citizens of developing countries, aiming to increase diversity and inclusivity in conservation and build local capacity. Projects must focus on a single raptor species, be led by an applicant associated with a registered NGO or university in the project country, and may receive up to US\$2,500. Preference is given to low-income countries.

Location: Latin America, Sub-Saharan Africa, Southeast Asia

Deadline: 15 January 2026

Link for more information: <https://hawkwatch.org/investing-in-others/grrcg/>

Rainforest Trust – Creating New Protected Areas (New)

Rainforest Trust partners with local conservation organizations to establish new protected areas or expand existing ones for Critically Endangered and Endangered species. Nonprofit organizations and NGOs can apply for funding to purchase land or secure protected area designations. The initiative supports projects in tropical regions across Latin America, Africa, and Asia, promoting biodiversity conservation and local partnerships.

Location: Tropical Latin America, Africa, and Asia

Deadline: Rolling Basis

Link for more information: <https://www.rainforesttrust.org/get-involved/apply-for-funding/>

Vacancy and Funding Opportunities

Consultancy Service for Climate Resilience Risk Transfer Study (New)

Mercy Corps, an international humanitarian and development agency, invites proposals from eligible firms or individuals registered in VAT for a scoping study on a viable risk transfer mechanism for climate resilience at the local level in Nepal. The consultancy aims to identify strategies to enhance local climate resilience through effective risk management. Applicants must submit a cover letter, technical and financial proposals, CVs, firm registration, VAT documents, tax clearance, and relevant past experience by the deadline via email.

Location: Lalitpur, Nepal

Deadline: 16 December, 2025

Link for more information: <https://www.jobsnepal.com/request-for-proposal-rfp-for-consultancy-service-for-scoping-study-on-a-viable-risk-transfer-mechanism-for-climate-resilience-at-the-local-level-in-nepal-140563>

Expression of Interest for NGO Partnership with WaterAid Nepal

WaterAid Nepal, an international non-profit working to improve access to clean water, sanitation, and hygiene, invites Expressions of Interest from eligible, locally registered NGOs in Madhesh, Bagmati, and Lumbini Provinces. Applicant organizations must have proven experience in WASH service delivery, sector strengthening, and policy influence. The upcoming project focuses on nutrition, public health, climate change, and community resilience through integrated WASH interventions. Interested NGOs must submit a Letter of Interest and Organizational Profile by the deadline.

Location: Lalitpur, Nepal

Deadline: 21 December, 2025

Link for more information: <https://www.jobsnepal.com/expression-of-interest-eoi-for-ngo-partner-140402>

Vacancy and Funding Opportunities

PFAN – Private Financing Advisory Network

The Private Financing Advisory Network (PFAN) supports clean energy, climate, and sustainable development projects by helping entrepreneurs refine business plans, financial models, and investment pitches. Selected projects receive intensive one-on-one coaching and access to global investors. Applications are open continuously, with evaluation occurring quarterly. Applicants submit a project proposal and executive summary through PFAN's Climate Invest portal. PFAN works internationally, connecting entrepreneurs with investors, technical advisors, and partners to mobilize private sector financing for climate solutions.

Location: Global

Deadline: Rolling applications (evaluated quarterly; submit anytime)

Link for more information: <https://pfan.net/application-process/>

Tender Notice for Shelter and Rescue Items (New)

United Mission to Nepal (UMN), serving communities since 1954, invites sealed tenders from manufacturers and suppliers for the supply and delivery of six types of shelter and rescue items to support disaster risk reduction and prepositioning efforts. UMN operates across four provinces and nine districts and seeks qualified suppliers capable of meeting specifications and delivering quality items on time. All bids must include required legal documents and cover letters, submitted via email by the deadline.

Location: Kathmandu, Nepal

Deadline: 31 December, 2025

Link for more information: <https://www.jobsnepal.com/tender-notice-140567>

Vacancy and Funding Opportunities

Free Rivers Fund Regular Grants – River Protection

The Free Rivers Fund offers grants to support projects aimed at protecting and restoring free-flowing rivers. Funding is available to individuals, informal groups, or organizations with clear plans to preserve natural river flow, remove barriers, oppose dam construction, or prevent river channelization. Grants range from €1,000 to €2,000, with expenses paid directly by the Fund. Applicants do not need to be registered non-profits, making this opportunity accessible for grassroots initiatives, local activists, and community-led river conservation efforts.

Location: Global

Deadline: 10 January, 2026

Link for more information: <https://freerivers.org/apply/regular-grant/>

Keeling Curve Prize 2026 – Climate Innovation Grant

The Keeling Curve Prize 2026 recognizes and funds innovative climate solutions that reduce atmospheric CO₂ and other greenhouse gases. The prize awards \$50,000 to each of 10 winners, selected globally, including emerging markets, BIPOC- and women-led organizations, and under-resourced communities. Focus areas include Carbon Sinks, Energy, Finance, Social & Cultural Pathways, and Transport & Mobility. Winners gain access to mentoring, training, and the Climate Curve innovation community to scale their solutions for global climate impact.

Location: Global

Deadline: 15 January, 2026

Link for more information: <https://www.climatecurve.org/kcp>

Vacancy and Funding Opportunities

SANDEE Call for Research Concept Notes 2026

The South Asian Network for Development and Environmental Economics (SANDEE), hosted by ICIMOD, invites research concept notes on the economics of climate risks, natural resource use, and environmental change. Grants target early-career researchers from South Asia and the HKH region and support projects addressing climate/environmental risks, resilient economies and landscapes, and regional/global policy impacts. Grants typically range from USD 20,000–30,000 over two years, prioritizing interdisciplinary, cross-border, and transboundary research with a strong economic analysis and potential policy impact.

Location: South Asia & Hindu Kush Himalaya Region

Deadline: 31 December, 2025

Link for more information: <https://www.icimod.org/sandee/sandee-research-grant-2026-call-for-concept-notes/>
